NARRATIVE

On 09/02/14 at about 1613 hours (all times approximate) while at the Lake Stevens Police Department I was informed by office staff there was a report of a single car vehicle collision blocking traffic in the roundabout at Lundeen Parkway and Vernon Rd (10400 block) in the city of Lake Stevens.

Officer Aukerman and I arrived on scene and found a green Ford pickup truck stopped in the westbound lane of Lundeen Parkway, west of the roundabout, facing east. As the truck was exiting the roundabout it spun around 180 degrees causing the rear passenger wheel to strike the curb in the center of the road, which broke the rear axle. No injuries occurred and no other property or vehicles were damaged. I radioed dispatch for the next tow truck company on the list. Mack's Towing responded.

I took digital photographs of the scene, vehicle and vehicle damage to show the location of where the incident occurred. The digital photographs were later burned to a CD that was logged as evidence into our property room.

Officer Aukerman and I cleared the scene at 1705 hours as Mack's Towing pulled away with the Ford truck.
